

Aventura, Mi Todo(English Version)

I'm thinking of you, in my sleep i saw it to tonight,
if its wrong to love you then my heart just wont let
me be right, cause i'm drowned in you and i wont pull
through without you by my side. i'd give my all to have just
one more night with you, i'd give my life to feel your
body next to mine cause i cant go on living in the memory
of this song, i'd give my all for your love tonight.
baby can you feel me, imagine when i'm looking
in your eyes i can see you clearly, look at me glazing in
my mind and your just so far like a distance star
and shes gone tonight with you. i'd give my all to have just
one more night with you, i'd risk my life to see your body next
to mine cause i cant go on living in the memory of the
this song, i'd give my all for your love tonight ay.., yeah yeah

i'd give my all to have just one more night with you i'd risk my
life to feel your body next to mine but i cant go on living
in the memory of this song i'd give my all for your love tonight.
