

Avicii, The Days (feat. Brandon Flowers)

Under the tree where the grass don't grow
We made a promise to never get old
You had a chance and you took it on me
And I made a promise that I couldn't keep

Heart ache, heart break
All over town
But something flipped like a switch when you came around
And I'm in pieces, pick me up, and put me together

These are the days we've been waiting for
And days like these you couldn't ask for more
Keep them coming
Cause we're not done yet
These are the days we won't regret
These are the days we won't forget

These are the days we've been waiting for
Handle the cage and slam that door
And the rhythm is calling us as we're not just yet
These are the days we won't regret
These are the days we won't forget

Out on the midnight
The wild once hide
The last are the last boys who throw in the towel
We used to believe we were stars tonight
You better wish and I fell out of town

Curfew, cut through
All over town
You make me bleed when I look up
And you're not around
But I'm in pieces, pick me up, and put me together

These are the days we've been waiting for
And days like these you couldn't ask for more
Keep them coming
Cause we're not done yet
These are the days we won't regret
These are the days we won't forget

These are the days we've been waiting for
Neither of us knows what's in store
You just blow your window down and place your beds
These are the days we won't regret
These are the days we'll never forget

And these are the days
And these are the days
