

Avicii, The Nights

Hey, once upon a younger year
When all our shadows disappeared
The animals inside came out to play
Hey, We're face to face with all our fears
Learned our lessons through the tears
Made memories we knew would never fade

One day my father he told me
Son, don't let it slip away
He took me in his arms, I heard him say

When you get older
Your wild life will live for younger days
Think of me if ever you're afraid

He said, one day you'll leave this world behind
So live a life you will remember
My father told me when I was just a child
These are the nights that never die
My father told me

When thunder clouds start pouring down
Light a fire they can't put out
Carve their name into those shining stars
He said go venture far beyond these shores
Don't forsake this life of yours
I'll guide you home no matter where you are

One day my father he told me
Son, don't let it slip away
When I was just a kid, I heard him say

When you get older
Your wild life will live for younger days
Think of me if ever you're afraid

He said, one day you'll leave this world behind
So live a life you will remember
My father told me when I was just a child
These are the nights that never die
My father told me

These are the night that never die
My father told me
Hey, hey
