

# Avoid One Thing, Backyard Joey

backbitting  
swinging out of hand  
grin and do the best you can  
outstanding be the bigger man  
back right in  
violent till the end  
crossed out addresses and names  
too bad lost another friend

never been into doing what you say  
you'd kick my feet right out from under me  
now your gone are you getting what you need  
out looking for something that can't be seen

sit back  
f\*\*k no I'll hit the roof  
grab hold get a better view  
be the one looking down on you  
think back  
remember when  
you were in it to the end  
now I could use another friend

never been into doing what you say  
you'd kick my feet right out from under me  
now your gone are you getting what you need  
out looking for something that can't be seen

you'll never get it that way
