

# Avril Lavigne, 4 Real

If I show you  
Get to know you  
If I hold you just for today  
I'm not gonna wanna let go  
I'm not gonna wanna go home  
Tell me you feel the same

'Cause I'm for real  
Are you for real?  
I can't help myself  
It's the way I feel  
When you look me in the eyes like you did last night  
I can't stand to hear you say "goodbye";  
When it feels so right  
'Cause it feels so right just to  
Have you standin' by my side  
So don't let me go  
'Cause you have my soul  
And I just wanted you to know

I don't wanna look back  
'Cause I know that we have  
Something the past could never change  
And I'm stuck in the moment  
And my heart is open  
Tell me that you feel the same, oh

'Cause I'm for real  
Are you for real?  
I can't help myself  
It's the way I feel  
When you look me in the eyes like you did last night  
I can't stand to hear you say "goodbye";  
When it feels so right  
'Cause it feels so right just to  
Have you standin' by my side  
So don't let me go  
'Cause you have my soul  
And I just wanted you to know

Hold (hold) me down (me down)  
Hold (hold) me now  
I'm safe (I'm safe)  
I'm sound (sound)  
When you're, around x2

'Cause I'm for real  
Like you're for real  
I can't help myself  
It's the way I feel  
When you look me in the eyes like you did last night  
I can't stand to hear you say "goodbye";  
When it feels so right  
'Cause it feels so right just to  
Have you standin' by my side  
So don't let me go  
'Cause you have my soul  
And I just wanted you to know

(I'm for real)

'Cause I'm for real  
Are you for real ?  
I can't help myself

It's the way I feel  
When you look me in the eyes like you did last night  
I can't stand to hear you say "goodbye";  
When it feels so right  
'Cause it feels so right just to  
Have you standin' by my side  
So don't let me go  
'Cause you have my soul  
And I just wanted you to know

'Cause I'm for real  
Are you for real ?  
I can't help myself  
It's the way I feel  
When you look me in the eyes like you did last night  
I can't stand to hear you say "goodbye";  
When it feels so right  
'Cause it feels so right just to  
Have you standin' by my side  
So don't let me go  
'Cause you have my soul  
And I just wanted you to know
