

Avril Lavigne, Bois Lie (feat. Machine Gun Kelly)

Hey!

You tell me what I want, what I wanna hear
Make me believe in magic then disappear
You got a sharp tongue, like a razor blade
You put a knife into my back and tried to write your name

So tell me, why you, you never tell the truth?

Bois lie, I can too
Revenge is my sweet tooth
Girls cry, but so will you
'Cause bois lie, bois lie

Yeah, so tell me why, why you tell your friends
I'm the bad guy when you're the villain? (Yeah)
I worshipped your religion (Uh)
I was faithful, you were the one who sinned down

So tell me why you, you never tell the truth?
You never tell the truth

Bois lie, I can too
Revenge is my sweet tooth
The girls cry and so will you
'Cause bois lie, bois lie

La-la-la-la-la-la-liar
La-la-la-la-la-la-la, bois lie
La-la-la-la-la-la-liar
La-la-la-la-la-la-la

I heard your little story (Story)
And you talk way too much
Why don't you say "I'm sorry"? (Sorry)
Is it asking way too much?
Okay, I'm losing all my patience
God, you make me anxious
I don't do that fake shit
Say it to my face then
I threw it all away again last night
So why don't you just look me in the eyes, and say

"Girls lie, I can too
Revenge is my sweet tooth
Bois cry and so will you
Bois lie, but girls lie too"

La-la-la-la-la-la-liar
La-la-la-la-la-la-la, bois lie
La-la-la-la-la-la-liar
La-la-la-la-la-la-la, but girls lie too
La-la-la-la-la-la-la, bois lie
La-la-la-la-la-la-la, but girls lie too
La-la-la-la-la-la-la, yeah, bois lie
La-la-la-la-la-la-la, but girls lie too
