

# Avril Lavigne, Everybody Hurts

Don't know, don't know if I can do this on my own  
Why do you have to leave me  
It seems I'm losing something deep inside of me  
Hold on, on to me

Now I see  
Now I see

Everybody hurts some days  
It's okay to be afraid  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And it's okay...  
La la la la la..  
It's okay

It feels like nothing really matters anymore  
When you're gone  
I can't breathe  
And I know, you never meant to make me feel this way  
This can't be happening

Now I see (now I see)  
Now I see

Everybody hurts someday  
It's okay to be afraid  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And it's okay...  
La la la la la...  
It's okay  
La la la la la

So many questions, so much on mind  
So many answers I can't find  
I wish I could turn back the time  
I wonder why...

Everybody hurts some days (some days)  
Everybody hurts some days (some days)  
Everybody hurts some days (some days)  
It's okay to be afraid (afraid)  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And it's okay...  
La la la la la...  
It's okay  
La la la la la  
It's okay

Everybody hurts some days  
It's okay to be afraid  
Everybody hurts some days  
Yeah we all feel pain  
Everybody feels this way but it'll be okay  
Can somebody take me away to a better place  
Everybody feels this way  
It's okay

La di da di da

It's okay  
La la la la la  
It's okay  
La di da di da  
It's okay  
La la la la la  
It's okay
