

# Avril Lavigne, I Can Do Better

Uh, yeah you can do it

I didn't give a damn what you say to me  
I don't really care what you think of me  
Cus either way you're gonna think what you believe  
There's nothing you could say that would hurt me

I'm better off without you anyway  
I thought it would be hard but I'm ok  
I don't need you if you're gonna be that way  
Because with me, it's all or nothing

I'm sick of this shit, don't deny  
You're a waste of time  
I'm sick of this shit, don't ask why

I hate you now  
So go away from me  
You're gone, so long  
I can do better, I can do better  
Hey, hey you  
I found myself again  
That's why you're gone  
I can do better, I can do better

You're so full of shit  
I can't stand the way you act  
I just can't comprehend  
I don't think that you can handle it  
I'm way over, over it

I will drink as much lemoncello as I can  
And I'll do again and again  
I don't really care what you have to say  
Cus you know, you know you're nothing

(I'm so sick)  
I'm sick of your shit, don't deny  
You're a waste of time  
I'm sick of your shit, don't ask why

I hate you now  
So go away from me  
You're gone, so long  
I can do better, I can do better  
Hey, hey you  
I found myself again  
That's why you're gone  
I can do better, I can do better

What'd you say  
I told you so  
You know that  
Cus I always know  
Get outta my face  
Hey hey  
You're not my taste  
Hey hey  
I am so  
Sick of you  
You're on my nerves  
I want to puke  
Get outta my face  
Hey hey

You're not my taste  
Hey hey  
Hey hey  
Hey hey

I hate you now  
So go away from me  
You're gone, so long  
I can do better, I can do better  
Hey, hey you  
I found myself again  
That's why you're gone  
I can do better, I can do better

I hate you now  
So go away from me  
You're gone, so long  
I can do better, I can do better  
Hey, hey you  
I found myself again  
That's why you're gone  
I can do better, I can do better
