

Avril Lavigne, I Love You

La la
La la la la
La la
La la la

I like your smile
I like your vibe
I like your style
But that's not why I love you

And I, I like the way
You're such a star
But that's not why I love you

Hey
Do you feel, do you feel me ?
Do you feel what I feel too ?
Do you need, do you need me ?
Do you need me ?

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you, is you
Being you, just you
Yeah the reason I love you is all that we've been through
And that's why I love you

La la
La la la la
La la
La la la

I like the way you misbehave
When we get wasted
But that's not why I love you
And how you keep your cool
When I am complicated
But that's not why I love you

Hey
Do you feel, do you feel me ?
Do you feel what I feel too ?
Do you need, do you need me ?
Do you need me ?

You're so beautiful
But that's not why I love you
And I'm not sure you know
That the reason I love you, is you
Being you, just you
Yeah the reason I love you is all that we've been through
And that's why I love you

Yeah, ohhh, ohhh

Even though we didn't make it through
I am always here for you
Yea-a-a

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you, is you

Being you, just you
Yeah the reason I love you is all that we've been through
And that's why I love you

La la
La la la la (uh oh)
La la
La la la (That's why I love you)

La la
La la la la (uh oh)
La la
La la la (That's why I love you)
