

Avril Lavigne, Just Relax

I need to chill out throw a party with my friends i can't be alone tonight i need to rock out some pun
I need to just relax you need to just relax so i threw a party without my parent permission ohh yeah

woke up in the center of a jail cell ohh man what happened last night listen guys im sorry to say n
so i chilled out too much drank a little too late drank a little too fast who cares when your a little shit
