

Avril Lavigne, Lossing my lunch

Are you aware of how you make me feel?, poser
did you know you don't write your own songs
like your some idiot!
didnt you see me flip you off?
why'd you turn away?
heres what I have to say
your such a poser
y don't you just give up
you'll never be punk
thats when I thought about
why are you here?
cuz your nothing but a fake
I'm so sick of you!
you, you need to go away
your starting to strip
I'm losing my lunch
cuz your just so nasty looking!
your the chick they placed beside them
to try to get rid of u
when u turned around
we didn't recogniced ur face
you always bug us
you always think ur punk
but that wasnt the case
you were such a poser!
your such a poser
y don't you just give up
you'll never be punk
thats when I thought about
why are you here?
cuz your nothing but a fake
I'm so sick of you!
you, you need to go away
your starting to strip
I'm losing my lunch
cuz your just so nasty looking!
