

Avril Lavigne, Socrates

~**Chorus**~

As Socrates said, "Know thyself!"
As Socrates said, "Know thyself!"
He was the best philosopher in the land;
He said words plato could understand.

One day, hewent too far---

Went all the way, to the jail bar!

There in jail, he heard a knock;

A guard poisoned him with hemlock!

~**Chorus**~

Plato carried o Socrates' work;

He knew Socrates was no jerk!

Plato made an academy school;

He knew Socrates was no fool!
