Avril Lavigne, Too Much To Ask

Its the first time I ever felt this lonely
I wish someone could cure this pain
Its funny when you think its gonna work out
Til you chose weed over me, you're so lame
I thought you were cool until the point
But up until the point you didnt call me
When you said you would
I finally figured out youre all the same
Always coming up with some kind of story

Everytime I try to make you smile
You're always feeling sorry for yourself
Everytime I try to make you laugh
You can't
Youre too tough
You think you're the best
Is it too much that I'm asking for?

I thought you'd come around when I ignored you
So I thought you'd have the decency to change
But babe, I guess you didn't take that warning
'Cause I'm not about to look at your face again

Can't you see that you lie to yourself
You can't see the world through a mirror
It wont be too late when the smoke clears
'Cause I, I am still here

But everytime I try to make you smile
You'd always grow up feeling sorry for yourself
Everytime I try to make you laugh
You stand like a stone
Alone in your zone
Is it too much that I'm asking for?

Yeah yeah yeah yeah
Can't find where i am
Lying here
Alone I fear
Afraid of the dark
No one to claim
Alone again

Can't you see that you lie to yourself
You can't see the world through a mirror
It wont be too late when the smoke clears
'Cause I, I am still here

Everytime I try to make you smile
You're always feeling sorry for yourself
Everytime I try to make you laugh
You can't
You're too tough
You think you're the best
It was too much that I'm asking for
