

# Avril Lavigne, (Where You Go) When Your Gone

I wanted to be like you,  
I wanted every thing  
so I try to be like you and I got swept away  
I didn't know that you were so cold and  
You need someone to show you the way

So I took your hand and we figured out,  
That when time gets I would take you away

If you want to I could save you  
I take you away from here  
so lonely inside so busy out there and  
All you wanted was somebody who cares

I'm sinking slowly so hurry hold me  
Your hand is all I have to keep me hanging on  
Please can you tell me so I can finally see,  
Where you go when you're gone.

If you want to I could save you,  
I take you away from here  
so lonely inside so busy out there and

All you wanted was somebody who cares  
All you wanted was somebody to care  
If you need me you know I'll be there

Oh oh ooo yeah

If you want to I could save you  
I could take you away from here  
so lonely inside so busy out there and  
All you wanted was somebody who cares

Oh oh

some who cares  
If you want to I could save you  
I could take you away from here  
So lonely inside so busy out there and  
All you wanted was somebody who cares.

Please can you tell me so I can finally see  
Where you go when you're gone.
