

# Away From Here, Hometown Heroes

You are just so far away  
But I decided I need to say  
I've got one thing I've noticed  
I noticed all the things you say  
Just seem to take my breathe away  
It's ok, I'm gaspin for air  
Wouldn't that be such a nice surprise  
Just to see the look on your face  
Would be worth more than anything  
Just to see any look would be fine with me  
But that's out of reach, and you know it

Because killing you  
Is like killing part of me!

Well I know hometown heroes  
So please just let me know  
Well I know hometown heroes  
So please just let me know

So I'll just wrap it right up  
Nice and tight inside the package  
And I'll send you my heart  
Don't tear it open too fast  
Because it says handle package with care  
But my love is something I just have to share

These back roads  
Like the back of my hand  
This distance isn't what I had planned
