

# Axel Rudi Pell, All The Rest Of My Life

In the distance from far away  
I can hear your voice, the words that you say  
You left forever, your love has been gone  
But I still feel so strong for you  
You left me crying, you're leaving me alone  
You and I together; once it was so strong  
The shield of love is broken, your fire has been gone  
Now I'm back on my own  
Come back and stay  
Dont leave me all alone  
Can you hear me pray  
Forever, forever

I want you  
All the rest of my life  
I want you  
All the rest of my life  
Rest of my life

Every moment I'm thinking of you  
But it seems that there is nothing, nothing I can do  
If there's something, something I could say  
To bring you back someday  
Come back and stay  
Dont leave me all alone  
Can you hear me pray  
Forever, forever

I want you  
All the rest of my life  
I want you  
All the rest of my life  
Rest of my life

[Solo]

I want you  
All the rest of my life  
I want you, cause I need you  
All the rest of my life  
I want you, and I want you  
All the rest of my life  
I want you, you've always been the one  
All the rest of my life  
I want you, I'll need you close to me  
All the rest of my life  
I want you, cause I need you  
All the rest of my life  
Rest of my life, yeah
