

# Axel Rudi Pell, (Don't Trust The) Promised Dreams

(Music: Axel Rudi Pell)

(Lyrics: Axel Rudi Pell)

Midnight, the time is right,  
take a trip to the dark moonlight  
silver spoon and needle soon,  
ya get to hell, without a spell

Don't trust those promised dreams  
there's no way out of misery  
Don't trust those promised dreams  
there's no way out - of misery

Loser's child, can't break free,  
down on your knees under dragon trees  
Crack or Smack, no turnin' back.  
Right or wrong, man you won't have long

Don't trust those promised dreams  
there's no way out - of misery  
Don't trust those promised dreams,  
there's no way out - of misery

(various noises under drug influence)

(Repeat Chorus)

(Solo)
