

# Axel Rudi Pell, Oceans Of Time

I see you turning, turning away  
And we're ready to leave to the bridges of sin, yeah  
Seven wonders, we're ready to fly  
Like an eagle we're touching the sky

We sailed across the ocean  
On the wind of the sea  
We're sailing on the oceans of time  
We're moving through the twilight  
Past the black moon on our way  
We're sailing on the oceans of time

As the sun fades to dark light we knew  
There was no way to return, yeah  
All the stars were passing by  
We were riding through the sky  
On our endless journey through space  
Seven wonders, we're ready to fly  
Like an eagle, we're touching the sky

We sailed across the ocean  
On the wind of the sea  
We're sailing on the oceans of time  
We're moving through the twilight  
Past the black moon on our way  
We're sailing on the oceans of time

Dust to the stone and the black moon touched the dawn  
And we're trying to get out of this world of burning fear  
Oh-oh-oh-oh-oh-oh-ohh

[Solo]

Seven wonders, and we're ready to fly  
Like an eagle, we're touching the sky, yeah

We sailed across the ocean  
On the wind of the sea  
We're sailing on the oceans of time  
We're moving through the twilight  
Past the black moon on our way  
We're sailing on the oceans of time

We're sailing on the oceans of time  
And never look back  
We're sailing on, on time  
I see you turn, turning away  
Never look back, yeah  
We're sailing on the oceans of time  
We're sailing on  
The oceans of time  
Oceans of time  
Dont turn away  
Dont turn, no dont turn away  
Dont turn away  
The oceans of time

We sailed across the ocean  
On the wind of the sea  
We're sailing on the oceans of time  
The oceans of time  
Oceans of time

[Repeat until fade]
