

# Ayo, Who

Who can I run to?  
Who can I cry to?  
Who can I trust with my life if I have to?  
Who can I give love to if I need to?  
Who?  
Whou?

Colors are fading  
All the lights gone dark  
And it won't stop raining  
Everybody's gone  
And my joy is sad  
Craving for love and happiness

Tell me  
Who can I run to?  
Who can I cry to?  
Who can I trust with my life if I have to?  
Who can I give love to if I need to?  
Who?  
Whou?

Time keeps flying away  
Though it feels like my life is on hold  
My love for you won't change  
I've pushed you away though I still need you close  
And my joy is sad  
Craving for love and happiness

Tell me  
Who can I run to?  
Who can I cry to?  
Who can I trust with my life if I have to?  
Who can I give love to if I need to?  
Who?  
Whou?

Tell me  
Who can I run to  
When my world is upside down  
Tell me who can I cry to  
When there is no one around.

Tell me  
Who can I run to?  
Who can I cry to?  
Who can I trust with my life if I have to?  
Who can I give love to if I need to?  
Who?  
Whou?
