

# Ayra Starr, Commas

Na which kind life wey I never see?  
I carry God, so I fear nothing  
Steady increasing the commas  
Comma, comma, commas  
Original no be parody  
E no fit clear for your memory  
Whether na winter or summer, ajeh

Barbados, Havana, living life  
See my fire burning bright  
Wetin dey inside me?  
Smallie wey dey mighty  
Dem never know I kala, tori mo fine  
Check and balance everything inside my mind daily  
Trust me, you can't fool me

Energy wrong, I log off  
Mo wa friendly and conscious  
I'm allergic to sokuso  
I'm not ready for confusion  
Dem telly me, make I show love  
Stability on gbona  
Everything na connection  
I'm not ready for confusion, hmm

Things happen  
Inside life  
Draw tattoo  
Make I live my life  
Dreams come true  
If na fight  
Fight the fight, make you no go tire  
Fire dey go  
Fire dey go  
You need to put your body and soul  
Leave your worries alone
