

Ayreon, Farside Of The World

EDWARD REEKERS:

A black shadow is crawling, like a deadly spider.
We're all waiting in silence for the lonely rider.

ROBERT SOETERBOEK:

For he will lead the way...
For he will save the town...
We have to leave today...
Before the moon is down...

EDWARD REEKERS:

I'm haunted by dreams of a holy mission!
I follow the signs of my magic vision!

ROBERT SOETERBOEK:

We have to dig a hole (We have to dig a hole)
And he will be our eyes (And he will be our eyes)
We have to reach our goal (We have to reach our goal)
Before the sun will rise!

OKKIE HUYSDENS: Journey to the farside of the world!

EDWARD REEKERS: No one will catch me when I fall...

OKKIE HUYSDENS: Follow the trail of fire...

EDWARD REEKERS: No one will hear me when I call!

OKKIE HUYSDENS: Journey to the farside of the world!

EDWARD REEKERS: A distant place, a future time...

OKKIE HUYSDENS: We'll climb the tallest spire...

EDWARD REEKERS: I will raise the cross, and the bells will chime!

EDWARD REEKERS:

We'll pass over the river to the silver tower!
Run, before the clock strikes the final hour!

ROBERT SOETERBOEK:

He saw it in a dream (He saw it in a dream)
He knew he had to die (He knew he had to die)
We never heard him scream (We never heard him scream)
We never heard him cry

OKKIE HUYSDENS: Journey to the farside of the world!

EDWARD REEKERS: Make them believe the dream is true...

OKKIE HUYSDENS: Follow the trail of fire...

EDWARD REEKERS: The moon came down, my time is through!

OKKIE HUYSDENS: Journey to the farside of the world!

EDWARD REEKERS: This is the way it was meant to be...

OKKIE HUYSDENS: We'll climb the tallest spire...

EDWARD REEKERS: The shadow is gone, the town is free!

OKKIE HUYSDENS: Journey to the farside of the world!

EDWARD REEKERS: The moon! The moon came down!

OKKIE HUYSDENS: Follow the trail of fire...

EDWARD REEKERS: It was meant to be!

OKKIE HUYSDENS: Journey to the farside of the world!

EDWARD REEKERS: Journey's free!

OKKIE HUYSDENS: We'll climb the tallest spire...
