Within these boundaries

I'm shielded from reality

Without a care or woe

In the garden of emotions

Free my ka, how much longer must I wait?

In the garden of emotions

HIPPIE:

I roam the universe

In cosmic meditation

To find my inner me

I'm getting high on love

And spiritual vibrations

To set bad karma free

EGYPTIAN:

Amon-Ra, have you come to seal my fate?

In the garden of emotions

Free my ka, how much longer must I wait?

In the garden of emotions

"And voices in the sky

Shall cause the soul to die"
