

Ayreon, Tunnel Of Light

""Forever of the Stars:""

Be joyful, my friends! You will now enter the Tunnel of Light!
Let brilliance suffuse your souls! Make your choice!
Your path is incandescent!

HIGHLANDER:

Don't offer me the light, when I only know the darkness
that's where I want to hide...
There's a chill in my bones, that I recognise from another life,
that's why I'm heading home.

EGYPTIAN: Ra, Heliopolis! Ka, Anenti!

ROMAN: Into Elysium!

KNIGHT: The isle of Avalon!

EGYPTIAN: In the tunnel of light!

HIGHLANDER:

Don't tempt my heart with hope!
In the shadows of broken promises, I guard my dreams.
In the bend of a swollen river,
in the roots of weeping willows, I choose to lie.

EGYPTIAN: Ra, Heliopolis! Ka, Anenti!

ROMAN: Into Elysium!

KNIGHT: The isle of Avalon!

INDIAN: The legend has begun!

FUTUREMAN: Our one and only sun!

EGYPTIAN: In the tunnel of light!

EGYPTIAN: Ra, Heliopolis!

HIGHLANDER: I rest my broken heart, where the willows weep.

EGYPTIAN: Ka, Anenti!

ROMAN: Into Elysium!

HIGHLANDER: I will lay me down...

KNIGHT: The isle of Avalon!

HIGHLANDER: I will rest my head...

INDIAN: The legend has begun!

HIGHLANDER: I will close my eyes...

EGYPTIAN: In the tunnel of light!
