

# Ayreon, Waking Dreams

"(Jonas Renkse:)"

Life, imagination  
Missing link in the chain  
We'll fuel your minds  
Colour your thoughts  
Come to you waking dreams  
Fire, inspiration  
Missing branch on the tree  
We are your root  
We are your blood  
Come to you in waking dreams

"(Anneke Van Giersbergen:)"

Sail the stream as I dance upon the waves  
Of a waking dream as it passes you by  
Ride the beam as I rise upon the wings  
Of a waking dream as it fades in the sky

"(Jonas Renkse:)"

Mind transformation  
You were chosen  
Live the dream that we have been dreaming  
Now's the time to come together  
And make it come true  
Oh me and you

"(Anneke Van Giersbergen:)"

Sail the stream as I dance upon the waves  
Of a waking dream as it passes you by  
(Dancing on the waves)  
Ride the beam as I rise upon the wings  
Of a waking dream as it fades in the sky
