

# Az Yet, Do You Care 4 Me

lookin' in your eyes  
it's ritten on your face  
i can read you mind  
you feel the same as me  
baby cuz time you face the truth  
you're in love with me  
and i think it's time that you came around

girl you care for me, like i care for you  
and you think of me all the time  
girl you want from me, what i want from you  
and you dream of me every night

no way you can run  
no way you can hide  
can't you feel it girl  
you're runnin'out of time, baby girl  
nothin'but ya face  
you're supose to be with me  
so is the way things like mine have just begun

girl you care for me, like i care for you  
and you think of me all the time  
girl you want from me, what i want from you  
and you dream of me every night

it's really not good for you to  
denay the feelings deep inside you  
you really overdo, you need to hold on to love  
girl it time for you to  
to comprmise to what's inside you  
there is no time, to run away, away from love

girl you care for me, like i care for you  
and you think of me all the time  
girl you want from me, what i want from you  
and you dream of me every night

girl you care for me, like i care for you  
and you think of me all the time  
girl you want from me, what i want from you  
and you dream of me every night
