Hi, hi, alright, hey, alright
Why you've been running your mouth
All out, and wipe for it's just island
Right to mention you, and I heard why a word
But I was in New York, New York, New York

I, I, I know you might like do you feel her world
But you just ride away in desire
Tryna say hello, some of you mean hello
It's alright, let's do, let's do

You know I spit slick game, slick game, to the brothers
When I hip hop slang bang bang for the summer
I'm the twist, - slick dame they say you the son of

So they nick-nick name-named me your mother
If the fifth pop, pray, pray for your butter
You in tip top shape, shift-shape nigga run it
Lil sis skates, straight, straight to the coven
Little witch pop, Jupiter queen
Your bitch make hits never do it for free
I can't take that risk, never 2 out of 3
And took the blue out the sea
And put the blue in the weave
And did the bam dance niggas then it blue in the raise
Word to you and the man get the blow in the cheese
If you a big shot nigga I'm-a see you believe
And spit the shit on the labour
Hit your tooth on the nin
Little witch pot nigga, nigga who could it be?

You know I spit slick game, slick game, to the brothers
When I hip hop slang bang bang for the summer
I'm the twist, - slick dame they say you the son of
