

Azian Pride, Intergra's And Civics

In the integra's and civics
switching four lanes
with the pedal down feel it now
racing ain't a thing
working hard in the tight far
flash the benz with the windows black, emblem jack
racing aint a thing

jigga I don't like if the rims bling bling
and the hell with the chrome
cause the racing ain't a thing
down hard for my chinks who's locked in the game
when i shift gears no fear
raceing ain't a thing

ya'all wanna fuck with us
cause all across the lanes we burn it up
drop a coupel inches baby low enough
smokin while we bumpin' tunr it up
see racing ain't a thing

I zip up my car with the R-S sakamoto
asian style love, fuck the hoes
burn all my gasoline just for show
my game is tight my ride is fly
tryin to stay alive 11 thou. for the coustum
breach the sky paint will strain your eyes
brand new ready son aim for the skys
fear the bottel in the back yeah it's NOS

9-6-9-7-2 Dial less damn near on my rear wheels when
I roll up body, kit and clear light it's all basic

watching ladies suck my dick all night
