

Aziel, Try Me

(Aziel talking):

baby gurl
this song is for u
to let u know
that i want u
and that i need u
to try me, try me babe.

what u really need is me babe
all u really need is me babe
what u really need is me babe
try some of me baby

what u really need is me babe
all u really need is me babe
waht u really need is me babe
try AZ baby

verse 1:

now what knid of man
would leave u home alone?
and what kind of man
would never take u out?
see u need a man
to show u what love's about
and i'm that type of man
who gives good love no doubt
try AZ

chorus:

what u really need is some of me baby
all u really need is some of me baby
come and get some of me baby
won't u try me, won't u try me

verse 2:

now i wanna know
what's goin on in ur mind
and i wanna know
if i'm just wastin ur time
'cause i'm speaking the real
my love is so divine
and i will do anythang
just to make u mine
try AZ

what u really need is some of me baby
all u really need is some of me baby
come and get some of me baby
won't u try me, won't u try me (2x)

now gurl i told u all i can
and i hope that u will understand
that a real man treats u the best he can
ooh trust in me for all i am

of ur happiness, what i'm talkin about
all u gotta do is try me... oh oo oh
