

Azn Dreamers, Ill Be Holding On

You said good-bye
Can't even find a reason why
I know that I've been a fool
But I never thought
I'd be without you

Cause you are my love
You are the only girl I'm dreamin' of
But I'll say
I'll never let go
Just believe in me
I want you to know
Baby

Chorus

I'll be holding on
I'll be holding on
Forever till you come home
I will be holding on

You know it's true
I'll be waiting here for you
Believe wherever you'll go
There's a place for you and me
And I want you to know
Baby

Chorus

Gonna make it
Gonna show you
That I mean it
From bottom of my heart
From the bottom of my heart
Yeah yeah
Let me tell you
How I see it
Cause I know that
We can make another start
Baby that's right

I will be here for you (holding on)
I'll be holding on (holding on)
I'll be holding on
Forever till you come home
I will be holding on oh yeah

I'll be holding on (I'll be holding on yeah)
I'll be holding on
Forever till you come home
I will be holding on (I will be holding on)
I will be holding on
