

# Azrael, Satan Time

It's the revenge of satan  
you will pay for all your sin  
evil lives in front of you  
you have fear in this game  
lost your mind, go insane  
you are damned for all eternity

It's the law  
you will die  
you will pay  
don't be afraid  
you will go  
you will die  
you will pay  
in satan time  
you will go  
you will die  
you will fight  
you will pay  
you will try in satan time

The screaming of Satan
