

Azuro, Toca Me (feat. Elly)

I could read your mind
Before you take me away
It's only you and me forever
I can tell by your eyes
That you want me to stay
It's gonna be a night to remember
Remember my love is true (o-oh, o-oh)
I will surrender
Surrender myself to you (o-oh, o-oh)

I don't wanna lose your love
I don't wanna lose your love
Why don't you touch me
Feel it in me
I need your love
Toca me /x4

I kissed you in my dreams
Are you living a lie
?Cause I don't wanna let you go
You gotta let me be
The one who holds you tight (tonight)
It's gonna be a night to remember
Remember my love is true (o-oh, o-oh)
I will surrender
Surrender myself to you (o-oh)

I don't wanna lose your love
I don't wanna lose your love
Why don't you touch me
Feel it in me
I need your love

I don't wanna lose your love
I don't wanna lose your love
I see the light shining in your eyes
I need your love
Toca me /x4

Toca me

I don't wanna lose your love
I don't wanna lose your love
I see the light shining in your eyes
I need your love
Toca me /x4
