

# B.B. King, Crying Won't Help You

Oh no matter what you say baby  
No matter what you do  
The way you've been treating me woman  
Is coming back home to you  
And your crying won't help you woman  
Oh, crying won't help you baby  
Oh, crying won't help you woman  
'Cause you've been so mean to me

Oh, you must remember baby  
No matter where you go  
Watch those seeds just scatter woman  
Because you're gonna reap just what you sow  
And your crying won't help you woman  
Oh, crying won't help you now  
Oh, crying won't help you baby  
'Cause you been so mean to me

Oh, the way you've been treating me woman  
Just can't understand  
Oh, I'm gonna leave you woman  
Let you do the best you can  
And your crying won't help you woman  
Oh, crying won't help you now  
Oh, crying won't help you woman  
'Cause you been so mean to me  
Look out!

Oh, just before I leave you woman  
Just before I shake your hand  
I'm gonna get me a woman baby  
Not to get your mad  
And your crying won't help you woman  
Oh, crying won't help you now  
Oh, crying won't help you baby  
'Cause you been so mean to me
