

B.B. King, I Know

I know you don't love me no more
No more, no, no more
And I don't wanna be hurt anymore
Anymore
I love so hard
Everything I did was no joy
If I can't love you right, baby
I don't have to love you at all

I know you don't want me no more
No more, no, no more
And I need someone else
Who's gonna love me more
Love me more
Ain't no need me cryin' now
After you have put me down
If you don't want me no more, baby
Ain't no use you hangin' round

I know you don't want me no more
No more, no, no more
And I need someone else
Who's gonna love me more
Love me more
Ain't no need me cryin' now
After you have put me down
If you don't want me no more, baby
Ain't no use you hangin' round

I know you don't want me no more
I know, I know
And I don't wanna be hurt anymore
Anymore
Love me more
After you have put me down
Ain't no use you hangin' round
You don't want me no more, baby
Ain't no use you hangin' round
