

B.B. King, Merry Christmas Baby

Merry Christmas, baby
Babe, you sure did treat me nice
Yeah, Merry, Merry, Merry Christmas, baby
Babe, you sure did treat me nice
Gave me a diamond ring for Christmas
And now I'm livin' in paradise
Oh, I'm feeling mighty fine this mornin'
I've got good music on my radio
Hey baby, I'm feeling mighty fine
I've got good music on my radio
I would love to hug and kiss you, baby
While you're standin' beneath the mistletoe
Santa came down the chimney
About half past three
He got all of these presents that you'll use
See, I'll help you put on these
Merry, Merry, Merry Christmas, baby
Oh, you sure been good to me
I haven't had a drink this evenin', baby
But I'm all lit up like a Christmas tree
Hey Merry, Merry, Merry Christmas, baby
I've got good music on my radio
I said, "Merry, Merry, Merry Christmas, baby
I've got good music on my radio"
I would love to hug and kiss you, baby
While you're standin' beneath the mistletoe
