

B.B. King, Sitting On Top Of The World

Work all the summer and all the fall
Just trying to find my little Lenore
But now she's gone, and I don't worry
'Cause I'm sitting on top of the world
One summer day when she went away
Just when she left me, she's gone to stay
But now she's gone and I don't worry
'Cause I'm sitting on top of the world
There was days when I didn't know your name
Why should I worry and prayer in vain
But now she's gone and I don't worry
'Cause I'm sitting on top of the world, alright
Going to the station, down in the yard
Gonna get me a freight train, got too hard
Now she's gone and I don't worry
Because I'm sitting on top of the world
The lonesome days they have gone by
Why should I beg now when she's saying goodbye?
But now she's gone and I don't worry
'Cause I'm sitting on top of the world
