

B.B. King, You Won't Listen

Yeah, you won't listen to nothing I tell you, woman
You keep on doin' as you please
Yeah, you won't listen to a thing I tell you, baby
You keep on doin' as you please
But I've taken it as long as I can, baby
When is this foolishness gonna cease

I worried myself crazy, baby
Cried both night and day
I worried myself crazy, woman
I cried both night and day
You didn't believe me, baby
When I told you I'm gonna leave one day

Yeah, you told me that you love me, woman
But action speaks louder than words
Well, you said that you love me, woman
But action speaks louder than words
I won't be foolin' around no more
That's a line everybody has heard

If you don't change for the better, baby
You better do it real soon
If you don't change for the better, woman
and you better do it real soon
Or you will wake up one of these mornings, baby
And find yourself in a empty room
