

B. J. Thomas, It's Only Love

I see the sunlight in her hair
I feel the warm smile that she wears
She has no recipe for love
And I just can't get enough
From the distances of my mind
The clock that's ringin' says it's time
To wake up to my destiny
It's time to face reality
It's only love that I feel inside
But I'll get by somehow
It's only love, I never woke up from my dream girl
I know there's something else for me, girl
I tell myself that it's not real
I guess there's nothing left for me to feel
I'll just be going on my way
Till another brings another day
It's only love that I feel inside
But I got to be strong
Keep my mind hangin' on
It's only love but I know I'll get by
I'll take my heart and my pride
And just throw them a side
It's only love, it's only love
