

# B\*Witched, Blame It On The Weatherman

Oh.....

It's just one more day  
no one said there would be rain again  
won't blame it on myself, yeah  
i'll blame it on the weatherman  
get away for a while  
here i am out on my own again  
won't blame it on myself, yeah,  
i'll blame it on the weatherman

standing on the shore (ooh)  
calling out your name (ooh)  
i was here before (ooh)  
i could see your face  
only clouds will see (ooh)  
tears are in my eyes (ooh)  
empty like my heart (ooh)  
why do ya say goodybye? (bye)

chorus:

the rain goes on (on and on again)  
the rain goes on (on and on again)  
the rain goes on (on and on again)

alone i can hear  
hear our song  
playing for me again  
won't blame it on myself, oh no  
just blame it on the weatherman

standing on the shore (ooh)  
calling out your name (ooh)  
i was here before (ooh)  
i could see your face  
only clouds will see (ooh)  
tears are in my eyes (ooh)  
empty like my heart (ooh)  
why do ya say goodbye? (bye)

chorus

maybe it's too late  
maybe it's too late to try again (aah, aah, aah, aah)  
maybe i can't wait  
maybe i can't blame the weatherman

chorus

oh, blame it on the weatherman
