

B*Witched, Does Your Mother Know

You're so hot teasin' me
so you're blue
but I can't take a chance on a chick like you
that's somethin' I couldn't do

There's that look in your eyes
I can read in your face that your feelings are drivin' you wild
Oh but boy you're only a child

Chorus:
Well I can dance with you honey
if you think it's funny
does your mother know that your out?
and I can chat with you baby
flirt a little maybe
does your mother know that your out?

Take it easy (take it easy)
better slow down boy
that's no way to go
does your mother know?
take it easy (take it easy)
try to cool it girl
take it nice and slow
does your mother know?

I can see what you want
but you seem pretty young to be searchin' for that kind of fun
so maybe I'm not the one

You're so cute I like your style
and I know what you mean when you give me a flash of that smile
Oh but your only a child

Chorus:
Well I can dance with you honey
if you think it's funny
does your mother know that your out?
I can chat with you baby
flirt a little maybe
does your mother know that your out?

Take it easy (take it easy)
better slow down boy
that's no way to go
does your mother know?
take it easy (take it easy)
try to cool it boy
take it nice and slow
does your mother know?

Well I can dance with you honey
if you think it's funny
does your mother know that your out?
I can chat with you baby
flirt a little maybe
does your mother know that your out?

Well I can dance with you honey
if you think it's funny
does your mother know that your out?
I can chat with you baby
flirt a little maybe
does your mother know that your out?

But I can dance with you honey
if you think it's funny
does your mother know that your out?
I can chat with you baby
flirt a little maybe
does your mother know that your out?
