

# B2krazy, Everything

E..V..E..R..Y..T..H..I..N..G 2x

When im out on the road going from show to show  
told my homie Romeo how much i miss you so  
i dont know how much long it would be  
I'm missin you wanting you and I really wanna talk 2 you  
Ooh...no

I left my 2way at home stil sittin on the charger  
Ooh..no

My battery is dead on my cellphone and I really wanna call you  
Jboog let me use your phone gotta call my baby girl back home  
Let her know how much she means 2 me  
Coz we gonna be.....

Chorus 2x

Coz.....

Your my angel

Your my heart gurl

Coz your my everything that I want

Girl your my everything that I need in a woman

I got you on the phone

Your saying you wish I was home

But then you flip the scrip

To put me in the wrong

And you think im lyin when ive been tryin

all day too talk to you jugglin,video and photoshoot

Baby gurl dont think that when it really really goes byee

And I dont really wanna call yah

dont think when your screamin on my calls

checkin my caller ID .. tryin to dodge you gurl

Tryin too be all I can be

A youngman in this industry

You mean the world too me

You are my everything

Repeat chorus:

Gurl I want you to know that nothing will come between you and me

Gurl I want you to know that you.....always...be....

My Everthing.....

Baby gurl Im missin you cant wait to get home

So I can hold you plain is love when it comes to you

Faithful and true is why I stay too you

Your mah hommie when i chill wid you

Throwin sum sweats with sum nike shoes

al gifts are diddy for me luie skirt and a mini T's

See times been hard 4 me bein on my world wid out my wife

lookin at my watch when the time's goes byee

lookin at the sky the day goes byee..

Wish only i can say if the shoe can fly

Till the next time youll be by my side

For you I ride For you our life

NOw you go bonnie and clyde....
