You've Got A Friend

When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon i will be there  
To brighten up  
Even your darkest night

You just call out my name  
And you know whenever i am  
I'll come runnin'  
To see you again  
Winter, spring, summer or fall  
All you have to do is call  
And i'll be there  
You've got a friend

If the sky above you  
Grows dark anf full of clouds  
And that old north  
Wind begins to blow  
Keep you head together baby  
And call my name out loud  
Soon you'll hear me  
Knockin' at your door

Ain't it good to know that  
You've got a friend?  
People can be so cold  
They'll hurt you  
And desert you  
And take your soul if you let them  
But don't you let them
