

B5, All I Do

Wassup
How you doin?
You know I've been seeing you from across the room
And you know, I just need your attention for a few minutes
Is that cool with you?
Yeah? Aight
Check it
Listen

I can't wait to get to school each day
And wait for you to pass my way
And bell starts to ring
An angel starts to sing "hey that's the girl for you
So what are you gonna do"
Hey little girl
I love you so
(whoa whoa)

All I do is think of you
Day and Night (that's all I do)
I can't get you out my mind
Think about (all the time)
All the time

I begin to take the long way home
Just so I can be alone
To think of how to say
That my heart is here to stay
Hey I'm in love with you
I think the world of you
So won't you please, please be mine
I want...

All I do is think of you (baby)
Day and night (all the time every night and day)
I can't get you out my mind (my mind)
Think about (think about you all the time)
All the time

(Uh) You know what girl?
I'm in love
I can say it, yea I ain't scared I, I, I'm in love
People tell me I'm too young to be in love
I know what I'm feeling
And this is real
I don't know what it is
But I can't stop thinking about you

All I do is think of you (baby)
Day and night (all the time every night and day)
I can't get you out my mind (my mind)
Think about (think about you all the time)
All the time

I think about you all the time
Baby
Day and night (ohh)

I can't get you out,
I don't want you out,
I just want you in my life...

All I do is think about you day and night
I can't even sleep

(Without you in my life)

All I do is think of you (baby)
Day and night (all the time every night and day)
I can't get you out my mind (my mind)
Think about (think about you all the time)
All the time

All I do is think of you
Morning when I rise, when I sleep at night
Day and night
I can't get you off my mind (I can't get you out... my mind)
All I do is think of you (ohhh)
Day and night
I can't get you out my mind (I don't want to)
Think about

Every day in my life
All the time
