Got It Like That

Kelly-

Yo .

Have you ever thought about being with me .

Nah I dont mean being with me like just being with me .

I mean it as in something that's yours.

And nobody else can take your touch.

And nobody else can mask the feelings that you have for me..

& the love that we share is so undeniable.

This is how I feel about you.

Yeah .

Pat-

My lady you know I love her .

Nothing else in this world that comes before her.

Cause shes my favorite girl i keep her laced so properly.

& yet il let her push the ride cause she ride for me..

Little lady you know I love her .

I'll be texting her early before she wake up.

My lady you know I love her .

Nothing else in this world that comes before her.

Cause shes my favorite girl i keep her laced so properly.

& yet il let her push the ride cause she ride for me..

My lady you know I love her .
