

B5, Let's Groove

Let's groove tonight
Share the spice of life
Baby slice it right
We gonna groove tonight

Let this groove get you to move
It's alright, alright
Let this groove light up the fuse
So stand up
Alright, alright

Gonna tell ya
What you can do with my love, alright
Let you know girl you're looking good alright
Just move yourself and glide like a 747
And loose yourself in the sky among the clouds in the heavens girl

Let this groove, get you to move,
It's alright, alright
Let this groove, light up the fuse so
Stand up, alright, alright

Let me tell ya
What you can do with my love, alright
Gotta let you know
Girl that you're lookin good you're alright
Tell the DJ to play your favorite tune
And you know it's okay
What you found is a happiness, now

Let this groove, get you to move,
It's alright, alright
Let this groove, light up the fuse so
Stand up, alright, alright

Let this groove, get you to move,
It's alright, alright
Let this groove, light up the fuse so
Stand up, alright, alright

You will find peace of mind on the floor
Come and see, you and me
Make a little sign,
If you want my love

We can boogie on down, down, boogie on down down, boogie on down

Let's groove tonight
Share the spice of life
Baby slice it right
We gonna groove tonight
