[Intro:]

Round of applause for... B5.
Ohhhhhhhhhohhhhhhhh Ohhh ohhhh.

[Dustin:]

It's killing me, (Yea)
I know you feel the chemistry,
Shared right here between you and me. (You and me)
Just picturin' you in them jeans,
With that walk so mean,
It's just what I need.
We both know what the deal is.
I know that you feelin',
What's it gonna be?
Put your games to the side,
Shawty let's ride.

[Chrous:]

I know what you like,
I know what you want, (Ay)
I know exactly how you need to be loved girl,
You gotta put me on. (Gotta put me on)
Don't it feel right, (So right)
Shawty don't front. (Don't front)
What you need is right here with me,
You gotta put me on.

[Patrick:]

I know you see me out all the time with my guys,
And you think I don't notice.
But best believe I be peepin' that,
Bump in your Babyphat.
You're frontin' girl,
You know you cute.
But I got a girl,
And you got a guy,
Knowin' we just passin' time.
Can't slow that busta,
I tell her I don't love her.
It's time that I make you mine.

[Chrous:]

I know what you like, (I know, I know, I know, I know)
I know what you want, (Wooh)
I know exactly how you need to be loved girl, (So you gotta)
You gotta put me on. (Gotta put me on)
Don't it feel right?
Shawty don't front. (I know that you feel it too, oh)
What you need is right here with me, (So)
You gotta put me on.

Yo B come on.

[Bryan:]

Got me goin' crazy, (Crazy)
Cuz I know that,
You should be my baby. (Baby)
You and I both know, (You and I both know)
Nothing less will do, (No)

But you, (You)
