

Baba B, Big Boy In Love

Over the mountains, pass the valleys of darkness
Stand a girl, I'm waiting for you
And over the rainbows, behind the pretty colors
Stand a girl, I'm waiting for you

Chorus:

Because I, feel for you, I love you baby
Don't you know your loving drives me crazy
Cause I feel for you, I love you baby
Don't you know, I'm just another Big Boy In Love

Bridge:

I've walked the highest mountain and
I've sailed the deep blue sea
And I fl---y over rainbows,
just so you can, you can be with me

Chorus

Rap

Roses are red and violets are blue
And I'm not gonna stop till I end up with you, end with you
Roses are red and violets are blue
and I just wanna say, I love you

Roses are red, canaries are tweeties
Lemons are sour and you are my sweetie, I said
Roses are red, canaries are tweeties
Lemons are sour and yes you are my sweetie
