Babes In Toyland
Spanking Machine
Boto (w) Rap
Shake this ground well of hate
This is why i rot away
This is why i rot away today
Cause you wear this mistake that you make
That mostly that you make
I said why?
Why?
Why?
You have to try
Shake
Should you shake well of hate
This is why i rot away
Call this kettle black
This is why i ricochet
Jack he built his house on sand
And mud slides
I said why?
Why?
Why?
You have to try
Quake
Shake shake with hate
This is why i rot away today
