Obsession

(check check...this happened for real... baby bash..yo.. frankie j... obsession)

Its early in the morning  
And my heart is really moaning  
Just thinkin bout you baby  
Gots me twisted into things  
And I don't know how to take it  
But it's driving me so crazy  
I don't know if its right  
I'm tossin turnin in my bed  
It's five oclock in the morning  
And I still can't sleep  
Thinkin bout your beauty it makes me  
Breathe.... I don't care  
So helpless in my heart  
I don't know what to do but to think of my love  
Baby.....

[Chorus]

Amor, no es amor (if this ain't love)  
More than my feelings(what am I doin wrong)  
Amor, no es amor (if this aint love)  
Its just an illusion that I have in my heart

Now I know you know my lady I'm just tryin to make this right  
I don't know what to do I'm going out of my mind  
So baby if you let me could I chet you to say maybe we could ride together  
We could do this all night now I don't care if you got a man  
Baby I wish you'd understand  
Cuz I know he can't love you right, quite like I can  
Its five oclock in the morning And I still can't sleep  
Thinkin bout your beauty it makes me  
Breathe.....I don't care  
So helpless in my heart I don't know what to do but to think of my love

[chorus]

Amor, no es amor (if this ain't love)  
More than my feelings (what am I doin wrong)  
Amor, no es amor(if this aint love)  
It's just an illusion that I have in my heart

I like the way u freak it like that  
I like the way u freak it like that  
I like the way u freak it like that  
It's an obsession

[Baby Bash]

Hold up let me drink  
SHorty got me feelin less supreme  
Where my candy, where my cream  
Got your boy feel less supreme  
Hold up wait a minute baby you so damn independent  
Loving everything your representing  
Got alot of money, I love this candy  
And thats whats up and I don't care what people scream  
No I'm blessin when I'm stressin  
My superfly beauty queen  
I'm gonna keep it saucy  
Cuz my money know how I do, we go Rendez-vous, mi corazon belongs to you

[Chorus 2x]
