Mamacita (mamacita)

Pensando en ti como yo te quiero (te quiero)

Mi corazon es para ti yo te espero (te espero)

Un dia vas a ver quien es el mejor (oh oh) mamacita mamacita

[Baby Bash]

My mamacita got it goin on poppin the most

like papparazi when they watch me and her hop in the low

no destination but we racin in the drop

on some chrome I know you heard it all before

but I'm your rock and your stone (it feels right)

me and you sharing a star (its real tight)

and nothing's gonna tear us apart (so true)

I'm feelin like I'm heavenly blessed (what it dooo)

me and you to put the love to the test

its so crazy when someone understands your mood

with an open invitation that I can't refuse

girl you never have to worry when my hands with you

cherry pie its so bomb and I can't defuse

I can be your other half baby I'm yo soul mate

I can keep you cozy cause you know that you're my shorty

seem like you're the only real one who really know me

so this song is dedicated to my one and only

an angel with them eyes and them honey butter thighs

tryna figure out bout her wedding ring size

I can be yo lover baby yo best friend

and momma when we ride we gone ride to the enddd

cause I know just what you need

you need some high definition in yo l-i-f-e

I know what's on yo mind and

I'll be patient I'll be waiting for a very long time
