

Baby Pandy, Storm

It was lightning
It was frightening
It made me look like a fool
It gave me quite a fright
You should have seen the sight
It made me look really uncool

Chorus:

Yeah it was a storm..... (storm)

It was a storm.....(storm!)

Storm.....(Storm!)

It was lightning

It was frightening

It made me moan and groan

It gave me quite a scare

You should of been there

Good thing I wasn't alone

Chorus:

Storm....!!!

Storm....!!!

Storm....!!!

Storm.....Yeah!

Chorus: X2

Storm!
